Sustainable San Juans 2010
Sustainable Living Fair - Orcas Island
May 1, 2010
Display Booth Registration

The 3rd Annual Sustainable San Juans Event will be held this year on the Village Green in Eastsound on Saturday, May 1, from 10 a.m. to 3 p.m. in conjunction with the first Orcas Farmer's Market of the year. The mission of the Sustainable Living Fair is to share information and resources toward creating a more environmentally and economically sustainable San Juan Islands.

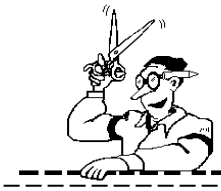
The Fair is an opportunity to share information about the work and/or products of your organization or business and show how you help meet the mission or provide products or services that help meet the mission. It is also an opportunity to get people excited about your work and may volunteer or provide resources to your non-profit organization, or become customers for your business products or services. Please note that no items may be sold directly from the booth.

Each organization will be provided with a 10' by 10' space adjacent to the Farmer's Market booths. You are asked to supply your own furniture, including a tent if you wish to use one. You should have your setup ready to use by 9:45 a.m. on Saturday. We ask that you plan to leave your booth in place until the end of the Fair day (3:00). Early departures are disruptive to the rest of the participants. The website and library both have has a layout diagram of the site, showing booth numbers and locations. Some limited access to electricity may be available. If you require electricity, please bring an extension cord (at least 100') to plug in to the supply.

The booth fee is $25 per assigned space (10 feet square) for those organizations with annual budgets below $25,000. The fee is $50 per assigned space for organizations with annual budgets over $25,000.

The bottom of this letter is your application; detach and return it with the appropriate fee.
Checks (payable to the Stewardship Network) with completed applications may be brought to the Library desk or mailed to Sustainable Living Fair % Orcas Island Library 500 Rose Street, Eastsound, WA 98245. Please note: Applications will be processed as they are received, so the earlier you respond the more likely we will be able to honor your booth preference.

If you need further information, please email Bob Connell at bobbconnell@yahoo.com.



Carpooling: If you need or can provide a ride from the ferry terminal to the Green, please e-mail jeffh@sanjuanco.com with your information.
